

SAE butt welding reducing adaptor for split-flanges
 Collet SAE réduit bout à bout pour demi brides
 SAE Reduzierschweissadapter für Flanschälften

La massima pressione d'esercizio indicata in catalogo è basata sulla connessione a flangia.
 La pressione di esercizio del sistema completo è determinata dallo spessore del tubo e dal materiale del tubo .

The maximum recommended working pressure is based on the flange.
 The working pressure of the system is determined by the tube (thickness) and by the steel quality of the tube .

Serie 3000 psi
